*1. The program is a CREDIT on your Utility BILL. Allow 90 days to process. I have read and understand the program rules. I have purchased and installed water saving fixtures or features at this utility account and address as indicated above. I have attached copies of required documents i.e. dated legible receipts and workorders.

*2. LIMIT 2 TOILETS PER HOUSEHOLD. The low water use toilet and/or showerheads, and sprinkler heads have replaced fixtures which were high water flow fixtures and the home was built in or before 1995. Old fixtures, sprinkler spray nozzles or turf lawn removed has been properly disposed of as indicated in customer comments: I declare that high water use fixtures, sprayheads or removed lawn have not been re-installed on any other property of city utility account. **DESTROY OLD TOILETS, SHOWER HEADS and TURF, DO NOT DONATE TO NOT FOR PROFITS OR RESALE SHOPS.**

*3. I agree to the conditions of the water conservation incentive program. I understand that the City is not responsible for selection, installation or performance of any water saving device.

*4. I grant the City of Prescott, Water Conservation Program Assignee the right to verify the installation of the above water saving devices if approved. I agree to allow inspection at the above account and address to confirm any approved incentive credits or product installations. Signature implies understanding of the program. **Incomplete application are subject to return.**

Signature of Owner or Authorized Agent (lease holder include permission from owner of record)
