#### **Catch a memory at Goldwater Lake** *Game and Fish to host First Fish Fishing Clinic*

**KINGMAN, Ariz.** — The Arizona Game and Fish Department is inviting the public to attend its second annual First Fish Fishing Clinic on May 17 at Goldwater Lake.

The event will run from 8 a.m.-noon.

“The event is focused on individuals who haven’t experienced the thrill of catching their first fish,” said Zen Mocarski, information and education program manager with the Game and Fish Kingman office.

All the equipment and bait necessary to catch the first fish will be available to borrow. Individuals with their own gear are encouraged to bring it. In addition, Game and Fish personnel will be available to help teach people techniques that will enhance the experience.

“Many people have had this experience,” Mocarski said. “However, maybe these same folks have yet to take their children out. This is a great opportunity to provide that once-in-a-lifetime memory.”

Game and Fish will also bring a mobile viewing tank for close-up viewing.

The first event in May 2008 attracted 240 people looking to catch their first fish.

Goldwater Lake is located approximately three miles south of Prescott on Senator Highway.

The Arizona Game and Fish Department (AGFD) prohibits discrimination on the basis of race, color, sex, national origin, age, or disability in its programs and activities. If anyone believes that they have been discriminated against in any of the AGFD's programs or activities, including its employment practices, the individual may file a complaint alleging discrimination directly with the AGFD Director's Office, 5000 W. Carefree Highway, Phoenix, Ariz. 85086, (602) 942-3000 or U.S. Fish and Wildlife Service, 4040 N. Fairfax Dr. Ste. 130, Arlington, VA 22203. Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, or this document in an alternative format, by contacting the AGFD Director's Office. Requests should be made as early as possible to allow sufficient time to arrange for accommodation.
