

# PARK AVENUE RECONSTRUCTION PROJECT

## Gurley Street to Canyon Springs Road

The City of Prescott invites you to attend a community meeting for the Park Avenue Reconstruction Project on Thursday, August 4th, 2011 at 6:00 p.m. at the Trinity Presbyterian Church located at 630 Park Avenue. Doors open at 6:00 p.m. with a short presentation beginning at 6:15 p.m.

Improvements to Park Avenue utilities and roadway will provide rehabilitation for the aging infrastructure. This meeting will feature details on the proposed improvements and project schedule. The design team will be available to answer questions regarding the project. All public input is welcome and may be considered in the design.

### The meeting will provide information regarding:

- *Historic District considerations*
- *Roadway improvements for Park Avenue and intersecting roads*
- *Increased water and sewer system capacity*
- *Consideration of surface and subsurface drainage issues*
- *How to stay informed*
- *The next steps in the improvement project*

For questions or to submit a comment,
