# Welcome to the Club

## *Tennis Club*

Welcome to the City of Prescott Parks & Recreation Department's Public Tennis Club. We are excited to begin this new program for all of our members and invite you to help us get the word out to anyone who might be interested in joining our club.

We have registered approximately 90 beginners to advanced level members with ages ranging from 7 to 74. We are hoping to continue to build our membership database and get as many residents in our tri-city area playing tennis as we can. As our membership database grows, our plan is to increase our number of programs and give each club member a chance to participate in an activity that meets their point of interest. Our objective is to have over 150 participants registered by the end of February to meet these goals.

As we approach the cold months, we know the weather will play a factor in our programming. We also would like to continue to build our database to a sufficient level so when more age, gender or level specific programs are offered beyond the winter, we have enough participants to create successful programs.

Our club's activities are also posted on our city website. Please visit the site at [www.cityofprescott.net](http://www.cityofprescott.net) and click on city services/parks & rec/sports/adult sports to find the tennis section. Bookmark the tennis section so you can view activities on the net.

If you have any questions, comments or suggestions regarding our club or programs, please contact me at 777-1557 or email [rick.hormann@cityofprescott.net](mailto:rick.hormann@cityofprescott.net).

We are looking forward to creating a successful tennis club for you and your family. We hope to get you involved by becoming a board member, getting on a tennis ladder, joining a league, signing up for a clinic, entering a tournament or partaking in all.

Sincerely

Rick Hormann, Sports Coordinator
