A brief presentation will begin at 5:15 p.m.

The Arizona Department of Transportation is planning to widen and repave State Route 89 in Prescott from Copper Basin Road to Peterson Lane. Construction is scheduled to begin in early 2011 and last approximately four months.

Project improvements include:

- Widen and repave road between Copper Basin Road and Peterson Lane, and install bike lanes and sidewalks, that will improve movement, cyclists, and pedestrians.
- Add continuous left turn lane, bike lanes between Cheery Street and Copper Basin Road.

- Install curb and gutter, which defines the roadway, makes driveways safer and more visible, and improves drainage.
- Other drainage improvements.
- Retaining walls to stabilize road from the edges.
- New commercial and residential driveways.
