MERCHANT DELIVERY RECOMMENDATIONS

Event Management will make every effort to accommodate merchant deliveries throughout the weekend. In an effort to minimize any delay or disruption in deliveries, the following are suggested delivery times for all businesses located within the downtown closure:

Thursday, September 15th	6am-6pm
Friday, September 16th	6am-3pm
Saturday, September 17th	6am-9am
Sunday, September 18th	6am-10am

There will be two(2) main points of access for downtown deliveries once street closures are established on Thursday, Sept. 16th at 6pm. These locations are as follows:

- **Gurley & Granite**
- **Marina & Goodwin**

All deliveries should be directed to one of these two (2) entry points. Security will allow commercial delivery vehicles into the street closures from these 2 points of entry during the delivery times listed above. Any deliveries being made outside the above-listed hours will be allowed at the discretion of the security based on the safe passage of the vehicle through the event. If for some reason it is deemed unsafe for a vehicle to drive into the event site, the delivery may need to be hand carried to its destination or event management can assist with golf carts on a case by case basis.
